Available in 125 ml bottles with spray dispenser, 450 ml alu bottles and 2.5 lt containers.

Cod. 9200 125 ml with spray dispenser

BORAGE SEED OIL (*Borago officinalis* seed oil)

Anti-wrinkle and skin rejuvenator. For all skin types.

Excellent for regenerating the cell activity, mature and aged skin.

Rich in polyunsaturated fatty acids, linoleic and linolenic acids, which provide a powerful anti-wrinkle action to the skin.

Can be blended with other carrier oils.

For an intensive face and neck skin treatment, should be used undiluted.

Borage flower

Cod. 9201 125 ml with spray dispenser

WHEAT GERM OIL (*Triticum Vulgare* Germ oil) - unrefined

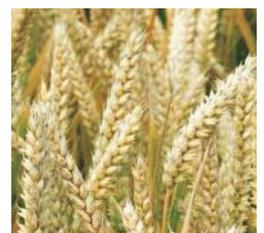

Nourishing.

Rich in Vitamin E.

Good for aged skin and wrinkles.

Can be blended with other carrier oils.

It is highly nourishing but should not be used alone, as it is a heavy oil.

Wheat

Cod. 9202 125 ml with spray dispenser

JOJOBA OIL (*Simmondsia Chinensis* oil) - For silky skin.

Called "oil" but it is, in fact, a liquid vegetable wax obtained from the fruit of the *Buxus Chinensis* or Jojoba. It is rich in vitamin E and universally used as nourishing oil for skin and hair. Because of its antioxidant properties, it has a long shelf-life and does not turn rancid like other oils.

Penetrates the skin rapidly. Good for all skin types, specially for mature, aged skin and wrinkles.

Can be blended with other carrier oils.

Cod. 9203 125 ml - Glasflasche mit Spraydiffusor
SWEET ALMOND OIL (Prunus Amygdalus Dulcis oil) - For all skin types.
Eudermic.
Universally used as a nutritious oil for the skin.
Obtained from the almond kernel that is rich in unsaturated fatty acids, minerals, proteins and vitamins. Beneficial for dry skin and helps relieve itching.
Revitalizing and nourishing.
Excellent skin lubricant which makes it a good massage oil and skin protector.

Sweet Almond flowers

Cod. 9204 125 ml - Spray dispenser
GRAPE SEED OIL (Vitis Vinifera seed oil) - Cold pressed
Anti-oxidant.
One of the most common oils used for massage, much lighter to the touch than others.
The skin absorbs it well without feeling greasy- can be used alone for a pleasant massage.
Rich in sterols which provide an anti-oxidant and protective effect, vitamin E, minerals, proteins and linoleic acid.
Obtained by cold pressing of organically grown grape seeds.

Grape

Cod. 9205 125 ml - Spray dispenser
AVOCADO OIL (Persea Gratissima oil) Rich- Dark green- Unrefined
Softens dry skin. Good for aged skin- penetrates easily, nourishing dry and dehydrated skin- improves skin elasticity.
This oil is obtained by cold pressing of the avocado fruit pulp.
Rich in phytosterols, monounsaturated fatty acids, vitamins "A", "B", "E", minerals and squalene which act as anti-oxidants.
